

believe we have a special duty to honor these brave soldiers, airmen, marines and guardsmen for their outstanding service to our country and, in particular, to recognize the important role of David and Ruby Woolum in raising their children with a desire to serve our country and support one another in this noble endeavor.

When David Woolum passed away in November 2002, he and Ruby had been married for 64 years. I ask my colleagues to join me in celebrating and honoring the patriotism of this couple, which should serve as an example to American families for centuries to come.

FISA AMENDMENTS ACT OF 2008

SPEECH OF

HON. LYNN C. WOOLSEY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, June 20, 2008

Ms. WOOLSEY. Madam Speaker, today Congress is yet again faced with the choice of approving the Bush administration's unconstitutional expansion of executive branch authority in the Foreign Intelligence Surveillance Act, FISA, or defending the Constitution and protecting the civil liberties of Americans. The choice could not be more clear and consequences more grave.

Passing this legislation today will be the enduring legacy of the Bush administration. It will provide the Congressional seal of approval for years of the White House's stonewalling on Congressional oversight, eroding Congress's authority, and violating the Constitution. A vote in favor of H.R. 6304, the FISA Amendments Act, is a vote for the Bush administration's expansive interpretation of executive power and against the Constitution. That's why I must oppose this legislation.

H.R. 6304 permits mass, untargeted surveillance of all phone and email conversations entering or leaving the U.S. without basic, let alone adequate, protections for Americans' civil liberties. Communications of millions of Americans will be swept up because of reduced reverse targeting protections and minimized court oversight. This bill enables the Government to walk through an enormous loophole by suspending prior court review of intelligence surveillance applications at their discretion. Additionally, there are no safeguards to protect Americans whose information is unintentionally obtained. H.R. 6304 dispenses with real oversight by the court, a requirement fundamental to upholding the Constitution.

Furthermore, this legislation provides nothing less than de facto immunity for telecommunications companies that broke the law. District courts will be forced to dismiss pending cases if they receive a certification from the Attorney General that telecommunications companies were asked to turn over their customers' records. There is no determination if the request was legal. No due process. No penalty. No accountability. Exactly what the Bush administration wanted all along.

We should never sacrifice commitment to the rule of law and our system of checks and balances for broad, unbridled power to suspend Americans' civil liberties at will. Unfortunately, this new FISA bill does just that. Elect-

ed officials have a solemn responsibility to defend our country, and, like my colleagues, I support a modernization of our intelligence laws. But being asked to support either our intelligence community or protecting civil liberties is a false and dangerous dichotomy. Benjamin Franklin once wrote that, "those who would trade liberty for some temporary security, deserve neither liberty nor security." With this bill, I believe we have proven him right.

SENSE OF CONGRESS REGARDING A NATIONAL DYSPHAGIA AWARENESS MONTH

SPEECH OF

HON. GENE GREEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 24, 2008

Mr. GENE GREEN of Texas. Mr. Speaker, I rise today in support of H. Con. Res. 195, which would designate June 2008 as National Dysphagia Awareness Month.

Dysphagia is a condition that affects nearly 15 million Americans. According to the NIH, people with dysphagia have difficulty swallowing and may also experience pain while swallowing.

Some people may be completely unable to swallow or may have trouble swallowing liquids, foods, or saliva. Eating then becomes a challenge. Often, dysphagia makes it difficult to take in enough calories and fluids to nourish the body.

The CDC estimates that 1,000 people in the United States annually are diagnosed with dysphagia and 60,000 Americans die from complications from this condition every year.

However, many people have never heard of dysphagia and unfortunately most cases of dysphagia go unreported.

Designating June 2008 as National Dysphagia Awareness Month will help raise awareness and understanding of dysphagia.

I want to thank Mr. WAMP for sponsoring this legislation and urge my colleagues to support this resolution.

FEDERAL PRICE GOUGING PREVENTION ACT

SPEECH OF

HON. CHARLES B. RANGEL

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 24, 2008

Mr. RANGEL. Mr. Speaker, I rise today to express my full support for H.R. 6346, also known as the Federal Price-gouging Prevention Act. I join my other colleagues from both sides of the aisle and American consumers to address the issue of price gouging of gasoline and other fuels.

This bill has received widespread support for several reasons. First, the bill gives the Federal Trade Commission the ability to investigate and punish companies that falsely inflate energy prices. It is unacceptable for energy companies to artificially raise prices. This bill serves to address these crimes and protect the American people.

Second, this bill will allow for the Justice Department to collect criminal penalties and

impose jail time during a state of national emergency on those who are found guilty of price-gouging. Most importantly, penalties collected from price-gouging companies will be forwarded to the Low-Income Home Energy Assistance Program, LIHEAP, to help families pay for their heating and air-conditioning bills.

At this time, 28 states have passed legislation against price-gouging. More laws are needed at both the state and local levels to ensure that those who are responsible for artificially raising energy prices are investigated and punished.

I urge other colleagues to support this bill. I applaud the work done by to protect the American people from energy price-gouging.

TRIBUTE TO NEW HAMPTON TRINITY LUTHERAN CHURCH

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 25, 2008

Mr. LATHAM. Madam Speaker, I rise today to congratulate Trinity Lutheran Church of New Hampton, Iowa, on celebrating their 50th anniversary as a congregation.

On July 31, 1958, the German parishioners of St. Paul's Lutheran Church and the Norwegian parishioners of St. Olaf's Lutheran Church joined together as Trinity Lutheran Church. St. John Lutheran Church of Lawler, Iowa became the third church to join Trinity Lutheran in 1964. The St. John Lutheran Churches in Ionia and Boyd are also now a part of the Trinity family.

The original St. Paul church cost \$19,000 to build. While growing as a congregation, the Trinity family has also faced adversity in dealing with damaging fires at the church in 1973 and 2001. Both times the congregation came together and built their faith community even stronger. Through new contemporary services, Trinity's methods of conducting their services have changed with society, but its message has remained steadfast.

Trinity Lutheran Church of New Hampton is dedicated to benefiting the lives of those in New Hampton and the surrounding rural areas, and for this I offer Trinity my utmost congratulations and thanks on a prosperous history. It is an honor to represent all the parishioners of Trinity Lutheran and the current pastor Reverend Kevin Frey in the United States Congress, and I wish them continued success, grace, peace and celebration as a community.

FEDERAL EMPLOYEES PAID PARENTAL LEAVE ACT OF 2008

SPEECH OF

HON. PHIL HARE

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, June 19, 2008

Mr. HARE. Mr. Speaker, I rise today in strong support of the Federal Employees Paid Parental Leave Act.

Currently, about 46 percent of private employers provide paid parental leave to their employees, but federal workers have no such guarantee. As a Member of the House Education and Labor Committee and a representative of many federal workers, this concerns
